Subject : Fluid PO Hydro Oil HD

To the attention of Mr Ibrahim Hani

Dear Ibrahim,

With reference to the documents submitted, the subject fluid is approved for inclusion on our list DENISON approved fluids for :

HF0, HF1, HF2.

Approval number : 210

This fluid will be listed under the brand name : **PO Hydro Oil HD**

The manufacturer will be listed as : **Petrol Ofisi A.S.**

The ISO classification as : **HM**

The approved grades as : **ISO VG 32, 46 & 68**

The listing date will be : **October 2003**

Test passed : **T6H20C Dry & wet phases**

Please note that we are now putting a 10 years time limit on the listing. The product will be on the list until **October 2013**. You can have the listing extended for an additional 5 years by notifying Denison in writing that the fluid is still being marketed. That notice should occur during the last six months of the listing period. We hope this latter condition doesn't create any problems for you, but we are finding that many fluids on the list are not longer available and we are trying to make it a more useable document.

Sincerely,

Ph. PARREAU
